Exam	During the semester
Workload	300h
Weeks	14
Hours	6 weekly
Courses	2 weekly
Project	4 weekly
Number of positions	40

It is not allowed to withdraw from this subject after the registration deadline.

Remark

Inscription faite par la section

Summary

A house is the simple topic of this studio. A matter of simple complexity. Defining a space by its "corner"; looking for a "cascade" of rooms; arriving at the simple complexity of a "house". Learning about a house is learning about architecture. That house in two different contexts. A house twice.

Content

See AR-201(c) Studio BA3 (De Vylder & Taillieu).

Assessment methods

- semester II part 3 complexity 40% - may - large jury.
- 1 model 1/50 and repetition corner 1/20.
