**Summary**

This course is intended to contribute to the students' knowledge of crucial issues related to the phenomenon known as globalization, namely: humanitarianism, global health and development. The course critically examines a number of practices, the politics, interests and visions of actors.

**Content**

**See the full description of the course in the Introduction to project of the fall semester: History of globalization I (HUM-427a).**

**Learning Prerequisites****Required courses**

**History of globalization I: HUM-427(a)**

**Assessment methods**

Evaluation on a semester basis (grade associated to 3 ECTS). The spring semester evaluation will cover the drafting of the report, to be developed in groups or individually, its oral presentation and the constructive criticism of another report. Further information will be provided at the start of the academic year.
