Summary

Let's consider the act of maintenance as a potential for project making : let's observe uses and traces that result from it in order to develop and carry out interventions that will allow us to reinforce, adapt, remove or increase the dynamics identified. This third round is taking place on campus.

Learning Outcomes

By the end of the course, the student must be able to:

Transversal skills

- Set objectives and design an action plan to reach those objectives.
- Plan and carry out activities in a way which makes optimal use of available time and other resources.
- Communicate effectively with professionals from other disciplines.
- Negotiate effectively within the group.
