### Requirements

**Bachelor Degrees:** It is essential for mobility condition to have passed at least 120 ECTS credits (you can count credits which you are still studying now and you are going to pass just before coming to our School). The request of 120 ECTS credits passed is mandatory at the time of registration in our School.

**Master Degrees:** To enrol master courses we will request you to have passed 180 credits at your home institution.

### Courses offered to incoming students

Courses available for incoming students: [https://infoteleco.upc.edu/genweb/webmob/app/#!/courses](https://infoteleco.upc.edu/genweb/webmob/app/#!/courses)

You can filter at the left by bachelor courses ("bachelor's degree") or master courses ("master degree"), and by semester or language.

If you are interested in doing courses of the bachelor in Physics Engineering ([https://www.etsetb.upc.edu/en/study-programs/degrees/bachelor2019s-degree-in-engineering-physics](https://www.etsetb.upc.edu/en/study-programs/degrees/bachelor2019s-degree-in-engineering-physics)), you will need to request them by email to students.mobility@etsetb.upc.edu.

### Complete study plans (not all these subjects are offered for incoming students)

The courses of the links above belong to the different study plans of the school:
