Overview of the three Campuses

Mississauga Campus (UTM)

Figure 1: University of Toronto Mississauga campus

About UTM
UTM features 15 academic departments, 148 programs, and 89 areas of study, offering undergraduate and interdisciplinary graduate studies programs. The campus also boasts a vibrant research environment and many of its faculty and researchers are recognized internationally for their innovative work. UTM’s facilities are situated on 225 acres of protected greenbelt along the Credit River, with direct shuttle bus service to and from St. George campus.

Programs and Courses of Special interest
Along with standard Humanities, Social Sciences, Science and Management programs UTM offers some unique programs listed below.

- Communication, Culture, Information and Technology
- South Asian Civilizations
- Visual Studies
- Forensic Science Program
- MSc in Sustainability Management
- Management & Innovation
- Psychology

UTM also offers a unique research program for undergraduate exchange students, the International Research Opportunities Program (iROP). The iROP runs from mid-May to mid-August over the summer and during the academic year (Fall, Winter + Full Year).

Restricted Programs: Some programs in Visual Arts and CCIT have courses offered at Sheridan College that have limited capacity for hosting exchange students.

Housing
UTM Residence offers a variety of on-campus accommodation options. The application process is very competitive and places are not guaranteed for students coming during Fall and/or Winter. However, students coming to UTM in the summer are guaranteed a spot in Residence. See housing information on the UTM website.

Scarborough Campus (UTSC)

Figure 2: University of Toronto Scarborough campus

About UTSC
Experiential education is the hallmark of the UTSC campus. Students get a head start on their futures through hands-on research, community engagement and a vibrant campus life. Located next to popular natural landmarks in Toronto’s greenest area, the UTSC campus is experiencing dynamic growth. The new Aquatics Centre and Field House represents Canada’s largest investment in amateur sport infrastructure, opened in 2015 for the Pan Am/Parapan Am Games.

Programs and Courses of Special Interest
UTSC offers standard Humanities, Social Sciences, Science and Management programs (English literature, Statistics, Economics, etc.), but also some interesting and unique programs listed below.

- Arts Management
- Global Asia Studies
- Population Health
- International Development Studies
- Migration & Ethnic Diversity
- Food Studies
- Mental Health Studies
- International Business
- City Studies

Restricted Programs: The Co-op (work placement) program and any Joint Program courses taught at Centennial College (Paramedicine, Journalism, New Media Studies) are not available to exchange students.

Programs with limited capacity: please refer to the UTSC website.

Housing
On campus accommodation is guaranteed for exchange students coming to UTSC. UTSC Student Residence provides 765 self-catered spaces on-campus to both international and domestic students. Students generally live in their own room with shared cooking and common areas, either in the Townhouses or Joan Foley Hall (apartment-style).

St George Campus (UTSG)

Figure 3: University of Toronto St George campus

About UTSG
Set in the centre of Toronto, one of the world’s most dynamic and diverse cities, it is a place where students, staff and faculty engage with a vibrant academic life and countless co-curricular activities. Life and learning takes place at many innovative landmarks across campus. Experience the treasures in the 1970s larger-than-life Robarts Library or conduct some cyber-sleuthing at the Citizen Lab. Students have access to some of the world’s leading minds. After all, ten Nobel Laureates have taught, or were students themselves, on this very campus.

Faculty and Courses
- Arts & Science
- Applied Science & Engineering
- Daniels, Faculty of Architecture, Landscape & Design
- Law (second entry degree)
- Kinesiology & Physical Education
- Music
- School of Graduate Studies

Details on the courses for each Faculty as well as information on the restricted programs are available on our website.
Course registration is confirmed after students are admitted to U of T.

Programs with limited capacity: Computer Science and Rotman Commerce.

Housing
Accommodation is not guaranteed for exchange students at the St George campus. Housing Services offers assistance and advice to all students on housing-related matters. They can assist with finding on-campus and off-campus accommodations after admission as an exchange student.

Partner Nomination and Application
The partner nomination and application process for the three campus is centrally administered through the Centre for International Experience.
Details on the courses as well as information on the restricted programs are available on the inbound page.

Nomination and Application Deadline and Process
- Deadline for Fall, Winter and Full Year: March 1 (graduate students); Apr 1 (all others)
- Partner institutions **must nominate** students to one of the three campuses through the Partner Portal
- Nominated students must complete the online exchange application in the Student Portal
- Course registration is confirmed after students are admitted to U of T.

Accessibility Services
We encourage you to contact the Inbound Exchange Officer as early as possible to enquire about academic accommodation that are available to students. Due to the documentation required for the disability, the process must be started at least 2 months before the arrival date to ensure that the appropriate academic accommodation is in place. Students must be registered with U of T Accessibility Services in order to receive academic accommodation, while on exchange.
